FOR EXCEPTIONAL EMPLOYEES

The BEE (Beeing Extraordinary Everyday) Award celebrates non-nursing staff members who embody the spirit of dedication and excellence, setting a remarkable standard in our organization. Each recipient will exemplify the PETAL principles:

P - Professionalism is evident in their unwavering commitment to respect and courtesy, ensuring every interaction builds trust and confidence.

E - Empathy shines through in their ability to form meaningful connections with patients and their families. By offering emotional support, compassion, and understanding; they create a caring environment where everyone feels valued and support.

T - Teamwork is at the core of their approach, as they proactively address concerns and collaborate seamlessly to advance our shared mission.

A - Accountability drives their commitment to take ownership of their actions and decisions. They demonstrate reliability by consistently following through on tasks and seeing responsibilities through to completion.

L - Leadership & Love are intertwined in their approach, as they tackle challenges with enthusiasm, energy, and a solutions-focused mindset, inspiring growth and excellence in those around them. Their love for their work shines through in their dedication to mentoring new hires and actively contributing to organizational improvements, creating a positive and thriving environment for all.

With kindness, courtesy, and respect at the core of everything they do, BEE Award recipients inspire us all to meeting the highest standards of service and care.
